## Notice of Appeal

Notice is hereby given that KSM CASTINGS GROUP GMBH appeals to the Trademark Trial and Appeal Board the refusal to register the mark depicted in Application Serial No. 85306954.

Applicant has filed a request for reconsideration of the refusal to register, and requests suspension of the appeal pending consideration of the request by the Examining Attorney.

The refusal to register has been appealed as to the following class of goods/services:

- Class 012.

All goods and services in the class are appealed, namely: Transmission parts for land vehicles, namely, disk carriers; transmission housings for land vehicles; body parts for land vehicles, namely, connecting elements, nodes of die-cast aluminium, and cast comers; wheel-guiding components for vehicles, namely, hub carriers and transverse links, auxiliary frames for connecting body and chassis, steering housings, die-cast components, namely, vacuum die cast components for vehicle parts; die cast components, namely, vacuum die cast components of light metal in combination with steel, rubber and plastic, namely, vehicle chassis and parts thereof; die cast components, namely, vacuum die cast components of light metal in combination with steel, rubber and plastic as machine housings for land vehicles; housings for machines; vehicle brakes; housings for parts of land vehicles, except engines; transmissions for land vehicles; clutches for land vehicles; knuckles for land vehicles; land vehicle brakes; chassis for motor vehicle; torque converters and parts thereof for land vehicles; shifting clutches and parts thereof for land vehicles; driving mechanism and parts thereof for land vehicles; clutches and parts thereof for land vehicles; connecting rods for land vehicles except engine parts; wheel axles; drive shafts for land vehicles; wheel suspension systems comprised of axles, axle mountings and individual parts thereof; shaft mountings for vehicles and parts thereof; rubber metal parts, namely, shock absorbers as vehicle parts for insulation of mechanical vibration; joints and individual parts thereof, namely, ball joints for vehicles; universal joints and individual parts thereof for vehicles; cardan joints and individual parts thereof for vehicles; steering wheels and individual parts thereof for vehicles; steering columns and individual parts thereof for vehicles, cardan shafts for vehicles; steering gears and individual parts thereof for vehicles; oil containers as parts of motor vehicles and individual parts thereof; airbag housings for vehicles and individual parts thereof; safety belts and individual parts thereof; hub carriers, brake disks, pedals, and fuel containers for vehicles; apparatus for force transmission for motor vehicles; parts for motor vehicle, namely, connecting struts, suspension links, trailing arms, transverse links, semi-tailing links, wishbones, four-point links, multiple links, supporting links, guide links, spring links, trapezoidal links, track rods and stabilizers; body and structural parts for vehicles, namely, pillars, door impact supports, floor groups, tunnels, sills, roof frames, instrument panel supports and deformable steering protection tubes; cross and longitudinal members as parts of the vehicle body, namely, for the reinforcement thereof and protection from impact and rollover; body parts, namely, door inner panels, mudguards, bonnets, knuckles, front axles, rear axles, twist beam axles for motor vehicles; bumper systems for motor vehicles comprising bumper cross members, crashboxes and flange plates and parts thereof; bumpers for motor vehicles; chassis and wheel suspensions for vehicles and parts thereof, namely rear axle carriers, front axle carriers, auxiliary frames and cross members, in particular integral die-cast carriers; axle carriers and engine bearers, axle mounts, knuckles and pivot bearings for vehicles; slider housings as a transmission part for vehicles; bearing frames for machines and bearing frames for engines, not as parts of engines; and foot-lever bearing mounts for use as part of pedal systems for vehicles; all such above-mentioned goods not for use in rolling mills or as part of rolling mills

Respectfully submitted,

/alk/
